CPEC PAKISTAN CHINA CENTRAL ASIA TRANSIT CARGO MOVEMENT

CPEC ,China Pakistan Economic Corridor is a revival of Ancient Silk Route which linked Sub Continent and China to Afghanistan and Central Asia. Central Asian countries like Kyrgyzstan, Kazakhstan, Uzbekista, Turkmenistan, Tajikistan, Azerbaijan and bordering Chinese province Xinjiang and Afghanistan all are Land Locked. If Central Asian States use Baltic and Balkan Ports they have to use Russian Railways to reach those ports . So, the Freight cost was tremendously high so their Exports could not compete the world market.

Through CPEC, C.I.S ,Afghanistan and Chinese land locked province can use Pakistani Ports such as Gwadar , Karachi Port and Port Qasim to not only decrease the distance and saving the time but also Economical in Freight.

Al Baba Enterprises by using our Integrated Multi Modal Transport system facilitate Central Asian Countries , Afghanistan and Xinjiang China to use our Services at Pakistani Ports for the movement of their Inward and Outward Import and Export Cargo by Sea and by Road and after completion of ML2 Railway network by Rail as well effectively with shortest possible of time and save lot of Freight cost.

AFGHAN TRANSIT TRADE

Afghanistan is a Land locked country and there is no Railway Network in Afghanistan. So, all the inward and outward cargo to and from Afghanistan the convenient way is to use Pakistani Ports and by Trucking through Custom Posts at Peshawar/ Torkham and Quetta/Chaman.

Required documentation is carried out at Karachi Customs after which the Cargo /Containers are loaded to Trucks and transport to Pak-Afghan Borders under Custom Escorts having crossed the border the loaded Trucks move to the Afghan Custom Houses across the borders at Jalalabad, Herat, Kandhar, Mazar Sharif and Kabul.

Al Baba Enterprises has team of Experienced Personnel to to handle efficiently and timely Afghan Transit Cargo.

CONSOLIDATION & WAREHOUSING

Al Baba Enterprises have vast experience in Consoling LCL cargo to worldwide destinations. We accumulating LCL Cargo from various shippers for Worldwide destinations to facilitate the shippers to export small/minimum cargo to any destination in the world .We console the cargo of different shippers in one full container load and send as direct Console box to different destinations.
